BRIEF ABSTRACT OF LETTER.

Forwards Census supt's letter No 1114 of 6-2-13 from the Census supt recommending promotion to the two Head supervisors, S. Suresana Row & R. Krishnachar in recognition of their good work during the last Census.

NOTES AND ORDERS.

S. Suresana Row is the permanent Accountant of the Tumkur office on Chikmagalur on a salary of 50 Rs. The pay was taken of the Census Deptt as Head supervisor on Rs 70

In G.O No. 2672-81/Fd 96-10-5 Oct 09 the pay of the Asst of the Dist Forest office at Chikmagalur has been raised to 50/-5-65. Saraswathi Row prays that he may be given the maximum salary of 65 in consideration of his good work in the Census office & the Census Supdt recommends his prayer for favourable consideration of Govt.

2. R. Krishnachar the other supervisor belongs to the G R S establt. The merits of his case are fully dealt with in the collection of Dr 14-11 Al 5 & 6, Filed Septr 1911. Attention is invited to the financial opinion recorded in para 5 of the collection. He is recommended for suitable promotion in the Secretariat.

Dr 27/12 Nov 07 Helen Row served in the Census Dept for 2 yrs and in considering his Govt work done here he may be permitted to draw the increments as they fall due or better still to give him 65 when he rejoins his office after reversion from the Census Dept. He cannot fail with such an excellent

We shall have also to see

(4) Surasena Row must earn increments of his permanent appointment after revision. He was paid higher salary in the census office for good work being done.

(5) Krishnachar is recommended for a 1st Grade clerk's place here. His work here can be a proper ground for selection to that grade if any, but not his work elsewhere for which he has been paid as agreed.

(6) I agree

The office now brings to notice the existence of a special order of Govt about Census officials having permanent place in the Govt service It provides that such officials should be considered as entitled to periodical increments in their substantive appointments and to permanent promotions in their offices while employed on census work in the same manner as if they were employed in their permanent offices

(8) The views recorded in paras 4 and 5 will stand even now because, Surasena Row can draw his first increment in his substantive

appointment of Accountant in Kadur Dt only from the afternoon date of its creation vs 16/11/12. (50-5-65). But he wants the maximum of Rs 65 at once, claim ordinarily inadmissible

(9) Krishnachar, the official, who is a member of the G. R. S. will not suffer in point of promotions here if he deserves them, by reason of his temporary transfer to the Census office. But no special consideration can be shown to him here for such work done in the Census office with the advantage of a better pay.

(10) Separate action will be taken as regards the default on the case-worker to have referenced the case fully.

Through:- The Revenue Commissioner in Mysore, Bangalore

SIR,

In continuation of my letter No.1044, dated the 14th December 1912, making recommendations on behalf of the clerical establishment of the Census Superintendent's Office, I have the honour to make the following recommendation on behalf of the two Head Supervisors C. Surasena Rao, B.A. and R. Krishna Char B.A. who have been serving in the Census Department since May 1911.

2. C. Surasena Rao's application to Government submitted herewith will show that he has had slow promotion for a number of years, while his work has been uniformly good As his work in the Census Department has been highly spoken of by my Assistants, I venture to submit for the favourable consideration of Government his prayer that he may be given with accelerated effect the increments in the newly sanctioned appointment -- -strict Forest Accountant 50-5-65. His service Register is submitted herewith.

3. The case of R. Krishna Char is a peculiarly hard one. In Secretary's Docket No.G.1891/G.M.14-11-6, dated 20th September 1911 the application for increments was disallowed for certain technical reasons and the result is that Krishna Char appears to have suffered by his electing to serve in the Abstraction Office. As he will revert to the Secretariat soon after the printing of the Village Population --

Tables, I request that his claims for promotion in the Secretariat may be favourably considered.

I take this opportunity of stating that Krishna Char's application for an appointment on Rs.70-100 in the Comptroller's Office has been forwarded with my recommendation.

I have the honour to be,

Sir,

Your most obedient servant,

Census Superintendent.

The Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments,

Through the Census Superintendent in Mysore, B a n g a l o r e.

Most Respected Sir,

I beg to bring to your kind consideration that in Government Order No.2672-81/Ft.96-10-5 dated the 16th November 1912, the pay of the Accountant of the District Forest Office at Chikmagalur has been raised from Rs.30-5-50 to Rs. 50-5-65.

2. I am the permanent Accountant of the Forest Office at Chikmagalur for the past 7 years. I had no promotion from a long time in spite of my continued efforts to get the same (vide correspondence ending with Government Order No.5851/ Fl.124-11-2 dated the 19th April 1912).

3. In May 1911, I was selected as Head Supervisor on Rs. 70/- in the Census Abstraction Office as I had good experience of the Census work in the Census of 1901 (vide certificate kindly granted by Mr.T.Ananda Rao, C.I.E., the then Census Superintendent in Mysore, herein enclosed for kind reference). For the past two years, I have been working very hard and I herein note the kind remarks made by the two Census Assistant Superin-tendents in their Memo No. 135, dated the 14th November 1912:-

"Two Head Supervisors were appointed to assist in ---- checking the work of sections. One of them was C.Surasena Rao, Head Accountant of the Kadur District Forest Office, whose experience in the Abstraction office of the previous Census of 1901 was of invaluable help on the present occasion, X X. X They joined duty early in May 1911 and remained to the very end diligently assisting in the preparation of the Subsidiary Tables of the Report and in the compilation and printing of the Talukwar and Village Population Tables."

4. Further, the opinions of my superior Officers recorded in my Service Register will show that I have acquitted

myself honestly and well throughout my Official career in the discnarge of my duties.

5. In consideration of my long service as -- Forest Accountant on Rs.50/- and also the service rendered as Head Supervisor on Rs. 70/- in the present Census, I request that the Government of His Highness the Maharaja may be graciously pleased to grant me the maximum pay of the appointment(viz., ~~Rxxx65/x~~ Rs.65/-) from the date of the Order above referred to was given effect to.

I beg to remain,

Most Respected Sir,

Your most obedient servant,

"

My Dear Sir,

Replying to your letter about Surasena Rao I write a line to state that I have no objection in sending him to Chikmagalur as proposed as soon as you write to me officially about it.

It appears that Deputy Commissioner Mr. Devaraj Urs has no objection to his transfer from the Bangalore to the Kadur District.

I am glad you are able to provide for him near home.

He has been exceedingly well behaved and useful here.

Yours Sincerely,

(Signed). T. Ananda Rao,

Director of Statistics and Census Superintendent in Mysore.
